In partnership with:

## ExcEL for Women

Competency-based development for current and high potential executive women

## PROGRAM

Created for high-potential executive women in the health professions, the ExcEL for Women Program offers you a unique approach to hands-on development and mentorship so you can enhance your leadership skills and grow personally as well as professionally.

ExcEL for Women is a competency-based program designed to offer structured learning in personal and interpersonal leadership skills for participants to succeed in executive positions.

*The curriculum will help you:*

- Lead with greater influence and decisiveness
- Drive innovation
- Develop strategic initiatives
- Build your professional network

## AGENDA

During this interactive, 2 1/2 day workshop, you will engage with fellow participants and the ExcEL for Women facilitators in these topics critical to your growth as a high-impact leader:

- Self-assessment & reflection
- Conflict management
- Emotional and social intelligence
- Strategic thinking and decision-making
- Communication with power
- Leadership presence and philosophy
- Action plan development

# LEADERSHIP DEVELOPMENT FOR HIGH-POTENTIAL WOMEN
